(15 U.S.C. § 1)**

THE UNITED STATES OF AMERICA, ACTING THROUGH ITS ATTORNEYS,
CHARGES:

DEFENDANTS AND CO-CONSPIRATORS

EDWARD D. SWANSON ("SWANSON") (collectively, "Defendants") are hereby made
defendants on the charge contained in this Count.

2. During the period covered by this Count, AL'S ASPHALT was a corporation
organized and existing under the laws of Michigan with its principal place of business in Taylor,
Michigan. During the period covered by this Count, AL'S ASPHALT was engaged in the
provision of asphalt paving services in the State of Michigan. At times during the period
covered by this Count, SWANSON was Vice-President, President, and part-owner of AL'S
ASPHALT.

3. Another corporation and other individuals not made defendants in this Count,

participated as co-conspirators in the offense charged herein and performed acts and made statements in furtherance of the conspiracy.

4. Whenever in this Count reference is made to any act, deed, or transaction of any corporation, the allegation means that the corporation engaged in the act, deed, or transaction by or through its officers, directors, agents, employees, or other representatives while they were actively engaged in the management, direction, control, or transaction of its business or affairs.

BACKGROUND OF THE OFFENSE

These asphalt paving services included asphalt paving projects such as large driveways, parking lots, and private roadways.

DESCRIPTION OF THE OFFENSE

8. Beginning at least as early as March 2013 and continuing until at least as late as November 2018, the exact dates being unknown to the United States, in the Eastern District of Michigan, Defendants entered into and engaged in a combination and conspiracy with Company

- d. exchanging pricing-related information to enable co-conspirators to submit non-competitive bids for asphalt paving services contracts to potential customers so that an agreed-upon co-conspirator would win the contract;

e. submitting, and causing to be submitted, non-competitive bids for asphalt paving services contracts containing higher prices than those prices submitted by the agreed-upon winning co-conspirator, in accordance with the agreement; and

f. providing asphalt paving services and accepting payment in accordance with contracts that were obtained through a collusive and non-competitive process.

TRADE AND COMMERCE

11. During the period covered by this Count, Defendants and their co-conspirators provided asphalt paving services in a continuous and uninterrupted flow of interstate trade and commerce. In addition, records and documents necessary for the sale and provision of such services, as well as payments for those services, traveled in interstate trade and commerce.
